

S.No	Categorisation of the specialized experts needed	Total Specialized Experts for Desk	Sub - category	Proposed Specialized Experts for subcategory	Proposed Academic Qualification
1	Chemicals, pharmaceutical products and Petroleum	17	Chemicals	5	MSc/BSc in Chemistry, Chemical Engineering, Industrial Chemistry, Materials Science, or Polymer Science
			Pharmaceutical Products	4	MSc/BSc in Pharmacy, Pharmaceutical Sciences, Medicinal Chemistry, or Chemical Engineering
			Petroleum products and lubricants	3	MSc/BSc in Chemical Engineering, Petroleum Engineering, or Industrial Chemistry
			Dyes, paints and fertilizers	5	MSc/BSc in Chemistry, Chemical Engineering, Industrial Chemistry, or Materials Science
2	Machinery, Electronics & Automotive	60	Mechanical machinery, Arms & Ammunition	29	MSc/BSc in Mechanical, Electronics, Mechatronics, Biomedical, Industrial Engineering, Materials Science, Defense Studies, Military Technology, Medical Technology, Optometry
			Electrical equipment	18	MSc/BSc in Electrical or Electronics Engineering
			Automotive and transport equipment	13	MSc/BSc in Mechanical, Automotive, or Automotive/Transport Engineering
3	Mineral Products, Plastics, Polymer, Rubber and articles thereof	59	Mineral products	12	MSc/BSc in Geology, Mining Engineering, Materials Science, or Mineral Processing
			Plastics and articles thereof	12	MSc/BSc in Polymer Science, Chemical Engineering, Materials Science, or Plastics Engineering
			Rubber and articles thereof	19	MSc/BSc in Rubber Technology, Polymer Science, Chemical Engineering, or Materials Science
			Polymers	16	MSc/BSc in Polymer Science, Chemical Engineering, Materials Science
4	Paper, Wood, leather and articles thereof	19	Wood and wood pulp	6	MSc/BSc in Forestry, Wood Technology, Pulp and Paper Technology, or Materials Science
			Paper, paper pulp and products of printing industry	8	MSc/BSc in Pulp and Paper Technology, Printing Technology, Materials Science, or Chemical Engineering
			Leather and articles thereof	5	MSc/BSc in Leather Technology, Materials Science, or Chemical/Industrial Engineering
5	Textiles & Apparel	37	Textile products	25	MSc/BSc in Textile Engineering, Fashion Technology, Materials Science, or Industrial Engineering
			Footwear and headgear	12	MSc/BSc in Footwear Technology, Leather Technology, Materials Science, or Industrial Design/Engineering
6	Base Metals & Articles	22	Metals and articles of base metals	22	MSc/BSc in Metallurgy, Materials Science, Mechanical or Metallurgical Engineering
7	Ceramicware, glass and articles of stone	13	Articles of stone, cement	2	MSc/BSc in Civil Engineering, Materials Science, Geology, or Construction Technology
			Articles having precious metals, Jewelry & Precious stones	7	MSc/BSc in Metallurgy, Materials Science, Jewelry Design/Technology, Chemical Engineering, or Gemology
			Ceramics	2	MSc/BSc in Materials Science, Ceramics Engineering, Chemical Engineering, or Industrial Engineering
			Glassware	2	MSc/BSc in Materials Science, Glass Technology, Ceramics Engineering, or Chemical Engineering
8	Agri-Products, animals & foodstuffs	31	Animals and animal products including aquatic animals	5	MSc/BSc in Veterinary Sciences, Zoology, Aquaculture, Animal Science, or Biological Sciences
			Vegetable products and extracts	5	MSc/BSc in Botany, Agriculture, Horticulture, Food Science, or Biological Sciences
			Animal oils and fats	5	MSc/BSc in Veterinary Sciences, Animal Science, Biochemistry, or Food Science
			Dairy products	4	MSc/BSc in Dairy Technology, Food Science, Veterinary Sciences, or Animal Science
			Food confectionery items	4	MSc/BSc in Food Science, Nutrition, Food Technology, or Culinary Science
			Coffee, tea, spices, sugar and its confectionery	4	MSc/BSc in Food Science, Agriculture, Horticulture, or Nutrition
9	Miscellaneous items	22	Arts, antiques and Home décor goods	10	MSc/BSc in Fine Arts, Art History, Archaeology, or Cultural Heritage Studies, Interior Design, Industrial Design, Materials Science, or Fine Arts
			Law	3	MSc/BSc in Law (LLB/LLM), International Law, Commercial Law, Trade Law, or Public Policy with law specialization
			Trade finance, International trade (including transit trade) and Money laundering & financial crime	9	MSc/BSc in Finance, Banking, Accounting, Economics, International Trade, International Business, Economics, Commerce, Supply Chain Management, Logistics, Public Policy, Law, Criminology, Forensic Accounting, or Business Administration
