

Syllabus & Passing Threshold / Marks for the Written Test

The aptitude test will consist of three parts (i) English Section (35%), (ii) Mathematics Section (35%), and (iii) Specialized Section (30%). English section will contain comprehension, grammar, composition, and vocabulary. Mathematics section will test the knowledge of fundamental mathematics and will be in line with curriculum of SAT/GMAT, and Specialized section will contain the topics related to the subject positions. There will be no negative marking in the test. Aptitude Test will be held in Karachi only. Overall, 60% marks are required to pass the test and call for the group discussion. Candidates who under perform in the aptitude test and do not meet SHD prescribed criteria will not be called for Group Discussion. Similar guidelines will be followed for evaluating Group Discussion.
